Fair & Equitable, but Effective?

pragmatic approaches to access & benefit sharing

CBD COP 17

27 October 2026

seedNL
grow together

Ministry of Foreign Affairs

Ministerie van Landbouw, Visserij, Voedselzekerheid en Natuur

Plantum

Nederlandse Aardappel Organisatie

Discussion

1. What initiatives already exist and where could they connect?
2. What would one or two complementary pilots test across: conserve; access; share?
3. Whose participation, rights and safeguards are essential?
